STREET CAR FARE HELD AT 5 CENTS

Possible to Ride Twelve and a Half Miles in City for Only a Jitney

EDITOR'S NOTE: While street car fares in all sections of the country have gone up during the past few years, San Francisco has managed to hold

The ferry building is the common terminal of many lines. Cars come in from the residential districts in the morning loaded, district charge their passengers along Market street and go out with a load picked up at the ferry build-

Grant Memorial Day Theater

Participation in Grant Memorial

Day exercises Thursday April 27
was urged last night by former
senator Sol White, a representative of the State Road Commission
and a veteran of the Civil War.

Mr. White spoke before the representatives of various local patriotic and fraternal organizations
who met last evening in the club
rooms of Heintzelman post. American Legion

The following program committe was appointed to arrange

who met last evening in the club rooms of Heintzelman post, American Legion.

The following program committee was appointed to arrange memorial exercises for the day: To Boydston, Grand Army of the Republic, chairman; Mrs. Samuel Brady and Mrs. Edward Jacobs, beautiers of the American Revolution, Mrs. Creed E. Bolyard, centuselman post auxiliary; Roomas A. Tate, Heintzelman ost, Geeil M. McDonald, Veterma of Foreign Wars.

Programs will be presented in city schools also according to cans being made by City Superin ndent Otis G. Wilson, All city, unity, state and United State.

Jitneys in Competition
On the other hand, Jitney busses are allowed to operate in Market, Solden Gaie, Valentia and other street in direct competition with the street cars. The city is hilly increasing power costs. Some hauls are long, it is possible in San Francisco to ride twelve and a fall filles for 5 cents.

The municipal railway is generally credited with keeping car fares down to 5 cents and maintaining good service.

The municipal system comprises ten lines. Of these six are profitable, one pass its own way without profit and two lose money. It costs \$3.60 an hour to operate each man two weeks vacation areas with pay and has pension novisions for every employe.
